"The food was great yesterday. Setup was perfect. Thanks so much for all the help."

- Janet Baum, ADL Texoma FYI

Many thanks for a splendid Shabbat dinner. Everyone loved the lamb and thought they were eating brisket! It cracked me up! You had everything covered and you are right! That chocolate cake was gone in a blink. Wowzers! The kiddish was a big hit. Dairy is so good. Servers were terrific too. They were everywhere they were supposed to be. Congrats!

Ceci Katz and Ruthy Henkin will exceed your expectations in the quality of food and presentation they provide for your event. They are always on time and offer great service throughout the event. I highly recommend them for your next Kosher event.

Out of this world dessert display!!

Just have to tell you how much everyone loved the kiddush luncheon at Lily's bat mitzvah. The veggie wraps and baked ziti especially were huge hits! Many people asked me for your contact info. Thanks so much for doing such a great job!

Just wanted to send over a quick thank you the fantastic catering you did for Sarina's bat mitzvah! Everything was perfect. The food was wonderful (when does eggplant get complimented?! It made a huge hit, as did everything else). We loved being able to serve a Kosher Chinese dinner at the party! Ruth, Nathaniel and Mark were wonderful and such a pleasure to work with both at the Temple and at our home. They were lovely, professional and overall did a great job.

Hope we have reason to call upon you again at some point!
