School Lunch Programs

Nutritious meals with a twist just for kids

At A Taste of the World we believe healthy diets lead to healthy minds. BUT, that doesn’t lunches have to be boring or tasty. We work with schools to create cost-effective, delicious lunches that our kids love to come back for again and again. Not only do we follow all nutrition guidelines set forth by the United States Department of Agriculture and Texas Standards, but we only use the freshest ingredients. Food that is crafted well and with love, tastes better than ever.

Our meals provide the ideal balance of all the food groups mixed combined to satisfy hunger so the brain can focus on the day ahead. No need for “noshing” (Yiddish for snacking) throughout the day, our meals will leave kids ready to learn. Never before has lunch been this amazing!

Not just for school

Our lunch programs are also ideal for, but not at all limited to:

- Summer Camps
- Private Schools
- Cafeterias
- Teacher Lunches
